

Hawaii Association of Certified Nurses Aides

February 2004

Volume 3, Issue 1

News

We recently received our first significant donation to the association. Pfizer US Pharmaceuticals has donated \$1,500. There will be an official presentation of this donation at a dinner/lecture to be sponsored by Pfizer Pharmaceuticals on Thursday March 11, 2004 at Sansei Restaurant. The lecture will be presented by Dr. Shari L. Kogan, MD on the topic of "Update on the Treatment for Alzheimer's". This should be an enlightening and enjoyable evening. Invitations will be sent to you or pick one up at the next HACNA meeting. Please make sure your membership dues are current in order to attend.

→Coming soon: Our 2004 Membership Drive. This year we have a great prize for the winner of the membership drive. Two airline tickets to Las Vegas. Each member gets one entry into the draw for each new member they sign up. So the more new members you sign up, the more chances you have to win the grand prize!!

→We would like to thank Pfizer Pharmaceuticals for their donation to the association.

→We encourage you all to attend the meetings every month. It is through you that we grow and become stronger.
