

Hawaii Association of Certified Nurses Aides

January 2004

Volume 2, Issue 1

News

We recently sent a letter to the Honorable Governor Linda Lingle about HACNA's goals and mission and the assistance we need from the government.

As you know we have been trying to work with the state Department of Health to secure a better future for C.N.A.'s: Certification, Continued Education, Job Classification and many other regulations. Governor Lingle's office has directed us to the Elder Affairs Division. We will keep you apprised of the situation.

➔Future workshops will include some medical training or education presented by a local physician. This is one of the goals of the association: to provide you with continued education and to keep your skill level higher than the current standards. In this way, we can attain the

recognition we are seeking and be more influential in the work field.

If you are interested in these workshops, or have ideas for others, please call 923-5918 or email: workshop@hacna.org.

➔Coming soon: Our 2004 Membership Drive. This year we have a great prize for the winner of the membership drive. Two airline tickets to Las Vegas. Please watch for further information.

➔We would like to thank James Henry Hutchings, Ph.D., for his donation to the association. He is a new "Friend of the Association".

➔We encourage you all to attend the meetings every month. It is through you that we grow and become stronger.
