

Members meetings will be held at a new location for the balance of the year. Pake Hale is being refurbished by the city and will not be available to us. We will now meet at 2933 Kalakaua Avenue.

Coming soon: Our 2004 Membership Drive. This year we have a great prize for the winner of the membership drive. A trip for two to Las Vegas. Each member gets one entry into the draw for each new member they sign up. So the more new members you sign up, the more chances you have to win the grand prize!

We are currently working, in conjunction with volunteers from the University of Hawaii, toward gaining grants for our association. This will enable us to find permanent facilities for HACNA where we will have our offices, meeting room and training facilities. We will keep you posted on the progress.

Recently we sent a letter to Governor Lingle regarding the difficulty our caregivers have in obtaining liability insurance. We received an acknowledgement from Governor Lingle and she is aware of the problems with liability insurance in many industries across the nation. She is forwarding our letter to the Insurance Commissioner J.P. Schmidt for further consideration.

In September we will be holding our first Chili Cook-off. This is a great opportunity to show off your cooking skills while raising funds for HACNA. So dig out the recipe books or make up your own chili recipe. Let's make this the event of the season!

Congratulations to Mildred Asuncion for her work on the membership committee. We are over 100 members and growing. Please contact Mildred for more information or to join the committee.

Notable Quote . . .

A Native American elder once described his own inner struggles in this manner: "Inside of me there are two dogs. One of the dogs is mean and evil. The other dog is good. The mean dog fights the good dog all the time." When asked which dog wins, he reflected for a moment and replied, "The one I feed the most."

Members Corner

Our Vice-President, Sandy Kekahuna, is almost ready to move into her new home. She has spent the last year getting things just right. I'm sure she is an expert by now, so if anyone needs some professional help . . . Sandy, what's your phone number?
