

# Hawaii Association of Certified Nurses Aides

March 2004

Volume 4, Issue 1

## News

We recently received our first significant donation to the association. Pfizer US Pharmaceuticals has donated \$1,500 and sponsored a dinner at the Sansei restaurant. Many members attended the dinner & lecture to represent our association. It was a very successful evening. Eddie Fox, our sponsor from Pfizer was present along with the guest speaker, Dr. Shari L. Kogan. Dr. Kogan is the Medical Director of Geriatric Services/ Progressive Care Unit at Queen's Medical. Her lecture was very well presented and she caught our interest and attention with her unique style and sense of humor. Her recognition of the role caregivers play in the care of Alzheimer's' was very well received. We were fortunate and pleased to welcome Roger McKeague, Special Assistant to the Director of Health of the Hawaii Department of Health. His presence supports our goal of improving the level of care we would like to provide for our seniors. Not only was he representing the Health Department, he made mention of being there on behalf of Governor Lingle. Thank you to all who attended and made it a very successful evening!!
