Member News

Welcome to the first Hawaii Association of Certified Nurses Aides Newsletter. We would like to use this forum to keep you up to date on news and events for HACNA members. Announce upcoming workshops and Member meetings. If you have ideas for this newsletter, please call or fax us at 923-5918 or email: members@hacna.org.

Some workshops we are trying to organize for future presentation are on topics like 1-Dental Hygiene, and 2-Healthy Cooking. These will be helpful to all C.N.A.'s to assist their clients or for their own personal edification. If you are inter-

ested in these workshops, or have ideas for others, please call 923-5918 or email: workshop@hacna.org.

We have received our first donation to the association from Senator Mary Jane McMurdo, in appreciation for our volunteer work.

We are happy to announce that we are trying to work with the Health Department to secure a better future for C.N.A.'s: Certification, Continued Education, Job Classification and many other regulations. For more information and future developments, please attend the members meetings each month.

Membership Corner

In April of this year, the Association was a year old. We are happy to announce we are over 100 members strong.

Mildred Asuncion, a C.N.A. herself, was one of the first members of HACNA and was the Member Chairperson during her membership. She alone, is responsible for recruiting 40 of the 60 members we have today. It is our pleasure to announce Midred's appointment to Membership Director.

If you would like to be a part of the membership committee under Mildred's directorship, please contact her at 842-6449.

Do you have an announcement, birthday or celebration you would like to printed in the newsletter? Or tips and advice for other HACNA members? Please let us know and we will include it in our newsletter. Call or email today.
